Personalised Plastic Card Certificates

A fantastic way of ensuring your students carry your contact details everywhere they go!

These glossy plastic card certificates can be fully personalised with your company logo and contact details and are printed to include the course title, date and student name. The reverse of the cards are available in four designs that are perfect for:

- First Aid
- Fire Safety
- Food Safety
- Manual Handling

How It Works

1. Provide your company details and agree your design – *first order only**
2. Set up the desired amount of credits you require on your account
3. After the course, complete the template provided with details of the course type, date and student names
4. We print your plastic card certificates and despatch them by return 1st class post. We then deduct the number of credits you've used from your account

FREE DELIVERY when 10 or more cards are printed and posted at the same time. If less than 10 are printed an additional print credit is deducted from your account.

**There is a one off charge of £10 for setting up each design. All prices exclude VAT.*

CPR Training Supplies

AZO Wipes

Perfect for use on manikins between students (quick drying – 70% Isopropyl Alcohol). Provides fast action against MRSA, Ecoli and a wide range of other micro organisms. 100 wipes per tub.

Trionic Wipes

Recommended in conjunction with Azo Wipes for use on manikins before and after each training session. Prevents and removes bio-film, which can build up after prolonged use of alcohol wipes. 200 wipes per tub.

CPR Face Shields – Filter Type

Allows personal protection during mouth-to-mouth resuscitation. High quality filter that does not increase air flow resistance, unlike many others on the market. Individually foil packed.

Face Shield Key Rings

Velcro-sealed pouch key ring containing a valve type CPR face shield.

TS0008

CPR Face Shields – with Plastic Valve

A single use mouth-to-mouth shield with a one-way plastic valve. For use in giving CPR in all conditions, whilst providing a hygienic barrier.

FS0090

Laerdal Face Shields – 6 Rolls

Personal protection face shield, ideal for use on training manikins as a substitute for alcohol wipes. 36 shields per roll.

Recertified Cardiac Science Powerheart G3 AED

Our recertified AEDs have all been carefully refurbished under factory conditions and come with:

- Full 5 year warranty*
- 4 year battery warranty*
- FREE Quallsafe Loan Scheme
- Brand new lithium battery
- Brand new adult pads
- Instruction manual

This AED was chosen by the NHS community responder scheme for its high performance and low maintenance.

Features:

- The unit self-tests all main components (battery, hardware, software, and pads) daily.
- Completes a partial charge of the high-voltage electronics weekly, and a full charge monthly.
- Calculates electrical impedance and if subsequent shocks are necessary, STAR biphasic technology escalates the energy to deliver therapy at an appropriate, higher level.

*Excludes DR0004 and DR0014

Universal AED Practi-Trainer

The Universal AED Practi-Trainer has all of the features and functions that an AED instructor wants and needs to teach students in the operation of an AED, with a price that won't break the budget!

This fantastic trainer features 8 pre-programmed scenarios that simulate a variety of cardiac arrest situations. The full-function remote control then allows the instructor to easily control the rescue scenarios and pause the session when review or discussion is necessary.

Includes:

- 1 Pair of Adult Pads
- 1 Pair of Paediatric Pads
- Carry Case
- Remote Control
- User Manual
